

Kates Hill Weekly Home learning activities

Year Group: 2 Week beginning: 11.5.20

This week's Big Question – How would you stay warm in the Arctic?

Remember to also relax, have fun and enjoy time with your family as well!

PE	Maths	English	Suggested Indoor Activities	Suggested Outdoor Activities
<p>Try your best to be physically active for at least an hour per day.</p> <p>We recommend: Joe Wicks https://www.youtube.com/user/thebodycoach1 Joe does a daily 30minute PE lesson for children and families. It's a great way to start the day.</p> <p>You could also try making yourself an obstacle course in the garden (bounce a ball ten times, jump on the spot ten times, ten star jumps...) Time yourself (and you family members.) Can you beat your time?</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p>Remember to show us what you've been getting up to via the email link for Year : year2@kates-hill.dudley.sch.uk</p> </div>	<p>Times Table Practice: Choose a times table to practise. Write the numbers 1-12 on little pieces of paper and put them in a bowl/bag. Pick one of the little pieces of paper out and times the number by the table you are practising. For example, I am practising the 5 times table. I pull out the number 4 from my bowl/bag. My sum is 5 x 4=</p> <p>Maths lessons: We have uploaded this week's White Rose summer block on parent hub:</p> <ul style="list-style-type: none"> • Make tally charts • Draw pictograms <p>Please use the PowerPoints to see what the children have to do. If you cannot print the worksheets, please do not panic! Have a go on a piece of paper.</p> <p>If you are unable to download these resources or would like some extra to do, please visit: https://whiterosemaths.com/homelearning/year-2/ Click on week commencing 11th May for daily lessons.</p> <p>You also have some maths in your homework packs if you are able to print those.</p>	<p>Reading lessons:</p> <p>Monday: there is a lot of non-fiction in this week's work so have a go at this one fiction piece of work: https://www.bbc.co.uk/bitesize/articles/zmp2mfr Tuesday: https://www.thenational.academy/year-2/english/to-identify-and-use-expanded-noun-phrases-year-2-wk2-4 to look at adjectives and expanded noun phrases. This will link well with your writing about animals this week. Wednesday: use this link to read a set of instructions. Discuss them with your adult https://www.primaryresources.co.uk/english/sand.htm Thursday and Friday: use https://www.thenational.academy/year-2/english/to-identify-the-key-features-of-instructions-year-2-wk1-3/# to read about writing a set of instructions. You'll need this for your writing on Friday.</p> <p>Writing/SPaG lessons:</p> <p>Monday: choose an arctic animal</p>	<p>This week's suggested indoor topics are:</p> <ol style="list-style-type: none"> 1. Geography – use a map to find the Arctic. How far is it from the UK? 2. Science – Use https://www.bbc.co.uk/bitesize/clips/zrgygk7 and https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/z3sr4wx to learn about the environment and animals of the Arctic. Which animals live there? What is the weather like? How are the animals adapted to living there? 3. Draw an Arctic animal in their environment. Is there anything in your house you could use to make a collage? Maybe cotton wool for snow? I like some of these ideas : 	<p>This week's suggested outdoor topics are:</p> <ol style="list-style-type: none"> 1. Build a shelter to keep yourself (or your stuffed animal) warm and dry. You could use blankets, boxes, sheets..... (this links to your writing this week – best to build the shelter early on in the week so you can write about it on Friday.) 2. Pack a bag of items you would take to the Arctic/ Which clothes would you take? Why? Will you take a map? A book? How far can you walk around your garden with your bag? (It could be heavy!) <p>Challenge:</p> <p>Who was Scott of the Antarctic? What did he do to make him famous? Present your facts in a way of your choice. Here are some suggestions: a poster, a fact file, a song, a poem, a rap. You even dress up as him and make a TV show where you talk about your life.</p>

Challenge:

Have a go at this website to practise your 2, 5 and 10 times tables (or even the 3 and 4 times tables if you like!)

<https://www.timestables.co.uk/>

and think of ten adjectives to describe it. For example, a white, vicious polar bear

Tuesday: use the Science BBC sites (in next column) to find out about animals who live in the Arctic. Pick your favourite animal and draw a picture of it. Label it: for example: sharp claws for catching prey

Wednesday: write a fact file about the animal you researched yesterday. Your subheadings could be their habitat, their food,

Thursday: use <https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zgsgxfr> to remind yourself how to use adverbs. You will need this in your writing tomorrow

Friday: Write a set of instructions teaching other people how to make a shelter (you can use this link if you like but I think you'll be ok without it)

<https://www.thenational.academy/year-2/english/to-write-a-set-of-instructions-year-2-wk1-5/#>

Spellings:

Can you see any patterns in these spellings?

could, should, would,
find, kind, mind, behind,

Don't forget the baking! This week's theme is a pudding

PSHE: Things are weird and sometimes a bit difficult for us at the moment. This link is for the BBC site with activities about managing our feelings, talking about how we are feeling and thinking about what to do when we feel a little angry: <https://www.bbc.co.uk/bitesize/articles/zmmgrj6>
