28th May 2021

Dear Parents / Carers

As we are approaching half term I would like to say a huge thank you to all the parents for your continued support during the pandemic. Unfortunately, as some year groups are aware, due to bubble closures, we are not out of the dark yet. Please continue to be vigilant in your approach to COVID 19. Lateral flow tests and PCR's are freely available for all and in order to protect each other we must take advantage of these resources.

Please continue to notify school immediately if any of your children are unwell or test positive. Going forward into Summer Term and beyond we are arranging a few events at the end of June / July to welcome you all back to Kates Hill. Week beginning Monday 28th June we will be holding a transition week this week in our Edible Playground for you to get chance to meet your child's new teachers for September and learn what they will be doing, more details with times will follow.

As well as the above we are desperately trying to plan a school picnic and end of year outside show for the community.

I will also be contacting you shortly to share with you the wonderful, exciting changes your child will benefit from in the coming months. During the Summer we will be having extensive work done on brand new toilets, new extended forest school with science opportunities some additional PE facilities which your children will love. I cannot wait to tell you more!

Please continue to take care and have a great half term.

Yours sincerely

Kathryn Harvey
Headteacher

Mission - The Learning Link MAT will improve the life chances of all children and create a family of outstanding academies where world class leaders place children at the heart of everything.
