

Appeal for Pakistan

Dear Parents and Carers,

I am delighted to inform you that we have raised an amazing £1405.36 for the Disasters Emergency Appeal for Pakistan.

As you will know the D.E.C charities are working to provide food, clean water and emergency shelter as well as healthcare, essential hygiene supplies and sanitation.

- £10 could provide essential hygiene supplies for two people
- £50 could provide emergency shelter for two families
- £100 could provide emergency food for two families for a month

So as you can see, our money will be able to help support a huge number of individuals and families.

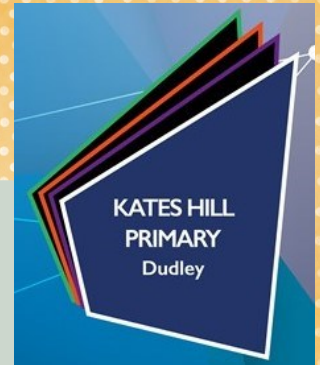

With my thanks for your generosity and support as always.

The fire was exciting and the popcorn was yummy.

Mystery Solvers Inc

Year 2 had a mysterious parcel from Mrs Mundy and Mrs May and we're delighted to say - MYSTERY SOLVED!

The artefacts in the parcel belonged to Mary Seacole an amazing nurse who helped wounded soldiers during the Crimean War. Mrs Mundy was so impressed to discover what an amazing person Mary was she wants us to tell the whole school. So look out for our poster coming soon so you can find out too.

Cosford Air Museum

This week, fifteen lucky children from Year 6 had a STEM day at Cosford Air Museum.

On arrival, we were put into a group of fifty and were called the Kestrels – in total there were over a thousand school children taking part.

Two huge hangars, which form part of Cosford Museum, had been filled with a really wide variety of activities and stands. We were able to wander around and could take part in as many of these as time allowed. Here are a few photos of our fabulous and very spoiling day.
