Autumn Forest School Year 5

KATES HILL
PRIMARY
Dudley

The many trees that surround the playground and field have erupted into a tapestry of greens, yellows, reds, browns and golds over the last few months. This fantastic display of autumn colour has given the children attending Forest School amazing opportunities to be creative with the textures and colours of the season.

Across year groups, many children have had the opportunity of being creative with the seasonal fall of leaves. Using their imagination, children have built campfires to warm themselves, they have had group and individual challenges to build the tallest leaf towers as well as opportunities to be creative with autumn leaf colours to create amazing patterns and designs.
