Appendix 1. Guidelines for social visits to Kates Hill Primary School.

There are occasions when staff at Kates Hill Primary School receive visits from friends and family and from members of staff who have left the establishment.

On occasions when there is no school business or educational purpose to the visit we refer to the visit as a social visit.

Kates Hill Primary School acknowledges the importance of maintaining good relationships with friends and family of staff and with people who have worked in the school in the past. Kates Hill Primary School has an important part to play in the local community and wishes to remain open and friendly. Social visits are welcome.

It is important, however, that social visits do not compromise safeguarding, confidentiality or the day to day operation of the school business and education of pupils.

For social visits these guidelines should be followed:

- 1. Social visits should be pre-arranged, approved by senior staff and noted in the diary so that they do not disturb the day to day business of school or the education of pupils.**
- 2. ALL visitors should sign in and wear a visitor's' badge or sticker. All visitors should sign out.**
- 3. Visits should not take place in the School Office or any place where they may be access to confidential information. Visitors are welcome to use the staff room for their visit.**

This appendix issued by Headteacher and agreed by Governors of Kates Hill Primary School, April 2018.
